

# **BAILEY'S B.A.S.H. FOUNDATION'S** **"MOTIVATION"**

*(Belief w/ Action Serves Humanity)*

- South Carolina's jobless/unemployment rate is consistently one of the lowest in the nation
- South Carolina has the nation's worst graduation rate. SC is not presently known for its Education Highs! We all know uneducated, hopeless citizens create the majority of Crime
- SC ranks 2nd in the nation (by size) when it comes to violent crimes. Due to its Poverty level & Crime, North Charleston, SC has recently been named the 4<sup>th</sup> Worst Place to live
- SC has the highest rate of stroke and heart disease in the nation. Some call it the "buckle of the stroke belt"
- More people die from heart attacks, juvenile diabetes, and stroke in SC than anywhere in the US
- More women lose their fetus during pregnancy in SC than anywhere in the US
- SC has highest mortality rate
- Over half of Charleston County School Students are living in Poverty

**Bailey's B.A.S.H. Foundation is COMMITTED to providing the Resources to create more Opportunities in our Communities. This Service will continue to help "Curb" these horrible statewide issues!**

**\*\*\*In addition to the Above Levels of Motivation:**

The Founder of Bailey's B.A.S.H. has Four blood brothers & one nephew that are Incarcerated, along with countless friends & classmates! His four brothers & nephew have spent most of their lives in jail. Now they all are serving years behind bars for their alleged crimes, all at the same time...at separate institutions.
